

ABC Institute of Technology

Department of Electrical and Electronics Engineering

EVENT REPORT

Event Name: AI Awareness Workshop

Date: 25 August 2026

Venue: Seminar Hall

Coordinator: Arun Chitrabhanu

Number of Participants: 85

1. Introduction

An awareness workshop was conducted to introduce students to the applications, opportunities, and responsible use of Artificial Intelligence.

2. Objectives

- Introduce students to the fundamentals of Artificial Intelligence.
- Explain practical applications of AI in engineering.
- Encourage students to explore AI-based technologies.

3. Event Schedule

Time	Activity
10:00 AM	Registration
10:30 AM	Inauguration
11:00 AM	AI Awareness Session
12:30 PM	Interactive Discussion

4. Participants

A total of 85 participants attended the event.

5. Event Photographs

6. Outcomes

- Students gained an understanding of basic AI concepts.
- Participants learned about practical AI applications.
- Students were encouraged to explore further learning opportunities.

7. Conclusion

The workshop provided students with useful insights into Artificial Intelligence and its relevance to engineering education.
